WHAT SETS US APART

The *Rajmudra* Difference

We built this programme for those who are genuinely committed. Not for the curious — for the dedicated.

01

For the Dedicated Only

This course demands 100% commitment. Designed exclusively for traders serious about results — not casual learners.

02

Complete Roadmap

A seamless journey from basic fundamentals all the way to advanced institutional strategies. No gaps, no guesswork.

03

4-Day Live Trading

We don't just talk — we execute together in real-time markets. Real money, real decisions, real lessons.

04

The Power of Three

We Educate, we Practice, and we Trade live. Three pillars. One complete trader.

05

Active Hand-Holding

Continuous guidance throughout your learning journey. You are never alone in navigating the markets.

06

Trade Auditing

We review and refine your actual trades after the course. Mistakes become lessons. Lessons become profits.

— SUCCESS STORIES

What Our *Students* Say

"Truly Game Changing. I Will Never Use Retail Trading Concepts Ever. Mohal Sir explained how the markets really work as opposed to the half baked knowledge I had after watching YouTube Videos. Such an eye opener."

M Madhav
LAWYER

"Mind Blowing! This Was The Best Trading Webinar I Have Ever Attended. The way Mohal Sir explains things shows the kind of time and energy he has spent in trading. Absolutely loved it!"

A Abhishek
TRADER

"This Workshop Transformed My Approach to Trading. I cannot express enough gratitude to Mohal Sir and the incredible team at Rajmudra Fintech. The personal mentorship is invaluable."

P Prashil
